| Media Reports | In the early days of local football it took several years for the local newspapers to provide a separate 'Football' section. Reports of matches would often be found in the 'General News' section and later all sports were included under the heading 'Past Times', football being the poor relation, the striking feature being that cycling received many more column inches than football. |
| Record Attendances | The attendance of 41434 at Chelsea in the third round of the FA Cup on 6 January 2007 is the highest crowd the Silkmen have played in front of. The largest attendance for a match involving the Silkmen at the Moss Rose was 9003 on 14 February 1948 in the second round of the Cheshire Senior Cup against Winsford United who won 3-2. | Steve Burr | Scored the most number of goals for MTFC (182) and was top season goalscorer for six consecutive seasons from 1984-85 to 1989-90, just one season more than Harold Kelly, second highest scorer for the club (181) |
| John Cooke | Visits to Ellesmere Port Town were often interesting for goalkeeper Cooke. On one occasion a dagger-type knife with a four inch blade hit him in the right leg. Fortunately after treatment he was declared fit to continue in the match. On another occasion a firework landed at his feet. |
| GS Foxcroft | Travelling to the match at Buxton on 11 September 1946, Foxcroft failed to make the match as the train he caught in Manchester did not stop at Buxton and took him to Matlock. Defender Burke replaced Foxcroft, Macclesfield losing 5-1. Early in November 1946 Foxcroft moved to Canada with his Canadian born wife and whilst he had known about the move for a month, he only informed the club days before he was due to leave. |

Their complaint was upheld with the match replayed at Leek , Goldenhill winning 3-2 after extra time. |
| 23 March 1889 | Players Howarth and Hindley were unable to make the match at Leek Town, with their unavailability only known as the team were about to leave.
